Teacher Resources

eSmart Guidance - Image-based Abuse

A comprehensive guide for schools on image-based abuse. What it is, how it affects people and what schools can do to help

Responding to Sharing of Explicit Material

This guide from the eSafety Office provides advice to help school leaders respond effectively to incidents of students sharing explicit material

Parent Resources

Sending Nudes and Sexting

This factsheet from Dolly's Dream Parent Hub provides a key information that parents can use to start the conversation with their child about sexting and nudes

Nude Selfies - Video Series

Videos from Think U Know UK covering what parents need to know about nude selfies such as why young people send them and when to get help (4 x ~2 min videos)

Student Resources

eSafety Young People

Advice for teens aged 13-18:

- 1. Pressure to send nudes
- 2. My nudes have been shared
- 3. Receiving unwanted nudes

Send a Mole Rat Instead

A funny video to share with students. It introduces the concept of sextortion and how to avoid it (ages 13-18)

Share This!

A resource for teenage girls on how to stay safe from imagebased bullying. Joint initative between Supre and the Alannah & Madeline Foundation (ages 13-18)
